8. The history of the case is fully explained in the previous file C.B.14-39-2 (Fl. K.) As already mentioned by me in the previous file, Mr. Kempanna's case has no doubt suffered to some extent by the policy adopted by Govt. from time to time for the selection of officers to the Assistant Commissioner's grade. On each occasion his case was duly considered but the basic principles for inclusion in the list underwent changes. The decision of Govt. cannot be reviewed on this account alone. But since then, Mr. Kempanna's work has been very well reported upon. The Registrar of Co-operative Societies as well as Mr. Kuppuswami Iyengar, President of the Mysore Provincial Co-operative Bank, have both strongly recommended the case of Mr. Kempanna for being shown some consideration in recognition of the very good work done by him, as Secy. of the Mysore Provincial Co-operative Bank.

9. I may submit in this connection that Mr. S. K. Venkataramana Iyer was permitted in 1939 to draw an increment in advance in consideration of the fact that he had suffered in the past for reasons beyond his control, viz., frequent Departmental transfers and changes in the grades. A similar consideration may, I think, be shown in the case of Mr. Kempanna also and he be permitted to draw one increment in advance without prejudice to his usual increments in the normal course.

The gist of his representation appears to be that he should have been selected for promotion to the grade of Assistant Commissioner at a much earlier date, consistently with his relative rank in the cadre of Amildars and that owing to these circumstances several persons who were junior to him as Amildars appear to

have become senior to him as Assistant Commissioners. I am not in a position to say anything in regard to the principles by which such selections are regulated from time to time or why Mr.Kempanna was not selected much earlier. From Chief Secretary's note dated 19th April 1940, I am led to infer that there must have been some reasons for the decisions then arrived at. There is, however, one point referred to in the notes. It is stated that Mr.Kempanna was appointed Assistant Registrar from 21-12-1933 against a vacancy in the Assistant Commissioner's grade, but on his own rank as a Amildar, until 20-3-1934 when he got promoted as acting Assistant Commissioner according to his turn. If the vacancy in the Assistant Commissioner's grade during this intervening period has not been otherwise utilised (which may be got verified by the Comptroller), I have no objection to his being allowed the benefit of this period being added to his service as Assistant Commissioner as a special case and to his next increment in the Assistant Commissioner's grade being permitted to be advanced by 3 months but without any claim to back pay.

17) I have no objection

15. I do not see any strong grounds for grant of one increment in advance without prejudice to his usual increments.

16. The question of giving him a higher rank in the

Dear Sir,

With reference to correspondence ending with your letter No.5082/C.B.149-39-2 dated 8th/9th May 1940, I send herewith letter received from Lokasevasaktha Mr.C.S. Kuppuswamy Iyengar, President of the Apex Bank, in original, regarding the status and emoluments of Mr.B.T.Kempanna, Assistant Commissioner, doing duty as Secretary of the Apex Bank and I write to state that Mr.B.T.Kempanna has discharged his duties all along loyally and on certain occasions at great risk to his life specially at Davangere and Shikarpur. The Board of Directors of the Apex Bank have also greatly appreciated his services to the Bank and I deem that it is in a large measure due to his efforts that the Bank has turned the corner as already stated by the President. His supersession by several of his juniors has necessarily caused him great hardship and I think that a re-examination of the case and sympathetic consideration on the lines suggested by Lokaseva-saktha Mr.C.S.Kuppuswamy Iyengar would mitigate the hardship at least to some extent. I therefore request that Government may be pleased to re-examine the case of this officer and remove the hard-ship said to have been caused to him.

Yours sincerely,

You are aware that Mr.B.T.Kempanna, Secretary of the Bank, had made a representation to Government praying for restoration of his rank in the cadre of Assistant Commissioners, and that he was informed that it was not possible to reconsider the orders of Government already passed in the matter. But in view of his representation already submitted, I think it is a fit case requiring re-examination. If it is not possible to restore him to the rank he has lost in the cadre, I deem that he may at least be considered to have been appointed as Assistant Commissioner from the date of his appointment as Assistant Registrar of Co-operative Societies in December 1933 where his appointment was ordered to be counted against a Civil service vacancy, and consequently he may be permitted to draw either the maximum in the grade of Rs.250-$\frac{40}{2}$ - 450 or at least an advance increment from December 1939, as I find that several of his juniors in 1930 are already drawing Rs.500/- and Rs.450/-. I therefore request you to kindly recommend his case to Government for reconsideration.

Sir,

With reference to Chief Secretary's letter No.3791 C.S.149-39-6 dated 29th April 1942 addressed to the Revenue Commissioner that Government cannot review the case at this distance of time, I respectfully beg to submit the following facts with the sanguine hope that they would be sympathetically examined.

I was a distinguished Sportsman of my batch and I was awarded the Mysore Maharaja's College 1st Gold Medal for Champianship in 1920. I am a Law Graduate.

I was appointed as a Revenue Probationer in 1923 along with Messrs. Mir Saffdar Hussain, J.B. Mallaradhya and others. I was appointed Amildar in December 1925.

The Dewan toured in the Chitaldroog District in 1927. He observed the affairs of Davangere

Davangere Municipality to be in a bad condition. The arrears were very heavy and there were several encroachments of Government and Municipal lands. The Sanitation had been neglected. There was no proper drainage and there were ugly ~~roads~~ sheds in all parts of the town. The Municipal Council presented a five year programme of town improvement works to the Dewan and represented that they might be given the choice to appoint a full time paid President of the status of an Assistant Commissioner. The Dewan replied that that was not possible and that a Senior Amildar who would be almost their President would be appointed as Chief Officer and that he would be encouraged if he did good work. (Vide Dewan's tour notes of Chitaldroog District 1927).

I collected all the arrears long outstanding and enhanced the Municipal Revenues by revision of Mohatarfa and profession taxes. I got all the ugly ~~roads~~ sheds in the town removed and relieved the congestion by forming extensions. I got hundreds of bad encroachments removed. The 1st stage of drainage work had been completed and 2nd stage was under good progress. This was done within a short period of 1 year and 3 months.

All this was highly appreciated by the people, the Municipal Council and my officers. The Dewan was also glad to note the progress.

Meanwhile the Davangere disturbances occured. As Chief Officer of the town, I loyally rendered my services both during the disturbances and after. During the 2nd disturbances I was stabbed while rendering medical aid to the injured

injured in the hospital and my wife and children had been left for 3 days without protection and facing a furious mob. On my return to Bangalore the Dewan sent for me and expressed appreciation of my loyality. During his tours in Hoskote Taluk, he often referred to the incident and stated that my experience at Davangere would stand me in good stead in my future career.

At Hoskote I did several improvements for the town and the villages. The Dewan during his tour was glad to note the improvement and he congratulated me for these improvements in the presence of several State Officers. The Revenue Commissioner and Deputy Commissioner were also pleased with the work done. The Huzur Zamabandy Officer wrote thus : " The Panchayet members are meeting regularly. I was able to visit several village Panchayets during the Zamabandy and I noticed the people on the whole have taken to Panchayet work in a proper spirit. Besides the work of usual improvement done by communal labour several other improvement works were undertaken by the Village Panchayets out of their funds, such as construction of gate pillars to all roads side villages, drains wherever necessary and provision for drinking water wells. Though the present Amildar took charge of the Taluk only about 6 months ago, yet the work turned out by him in this direction in this short period has been very good. Mr.B.T.Kempanna is taking very keen interest in the rural improvement work and taking the people with him in all his village Panchayet activities. The Taluk has been managed well during the year and the activity particularly with regard to the Rural Improvement work deserves special mention.

The Amildar was found to command respect in the Taluk.".

I was thereafter transferred to Shikaripur Taluk. There the people had refused to pay Kandayam and defied Government imitating the Hirekeroor people in the Dharwar District. I tactfully took the situation under control under the guidance of my Deputy Commissioner and I was able to suppress this subsersive compaign within six months. Mr.J.B.Mallaradhya had been appointed as an Assistant Commissioner by this time. I also hoped that I would be promoted soon in appreciation of my good work and also as no Assistant Commissioner had been appointed in the Vokkaligar Community since the nomination of Mr.J.Appajigowda as Assistant Commissioner in 1918. I was ~~mxxxky~~ very much disappointed when I saw that others who were far juniors to me were appointed as Assistant Commissioners. I represented my case to my Deputy Commissioner. I learnt that he had already noticed the omission and written to the Revenue Commissioner and to Government to consider my case favourably. The Revenue Commissioner Mr.S.Hiriyanniah who had studied my work at Davangere and Shikaripur recommended my case to Government. I was then included in the list and my rank was not considered at all. I learnt that Amildars had been selected under A & B.Schedules. As Government are aware those lists caused much hardship and this system was dropped in 1934 as it had been done once before in 1918. During these two years I suffered the most, as others who agitated in the Legislative Council and elsewhere succeeded to be included in the list and got a higher place. Late Mr.B.Thammiah who was just above me in 1932

Davangere (vice Regn. Slip portion)

1932 was given a higher rank in 1935 and finally placed above Mr.George Matthan in 1936. Mr.George Matthan and others are several years younger than myself. This has caused me great hardship. I have lost eight places. I have been making representations since then for examination of my case. I have since 1938 done good work in the Apex Bank, and the Board of Directors have greatly appreciated my services. The Registrar and the President of the Apex Bank have appreciated my good work and recommended my case for reconsideration. The President of the Bank, Lokasevasaktha Mr.C.S.Kuppuswami Iyengar has written as follows:-

"Mr.Kempanna worked under me as Chief Officer of the Davangere Municipality when I was Deputy Commissioner of the Chitaldroog District. He did his work very efficiently and smoothly. For the past two years he has been working as Secretary of the Apex Bank. His work as Secretary has been greatly appreciated by the Directors of the Bank. It is in a very large measure due to his exertions that the Apex Bank may be said to have turned the corner. I have always found him him to be loyal, efficient and hard working. His is indeed a very hard case and his representation deserves all possible consideration." While inspecting the Bank in 1941 the Registrar of Co-operative Societies wrote as follows:-

"The credit of having improved the recoveries by adopting conciliatory and coercive measures as may be required in each case thereby improving the affairs of the Bank generally goes to Mr.B.T.Kempanna, the Secretary, who has ably Co-operated with Lokasevasaktha Mr.C.S.Kuppuswamy Iyengar, the President of the Bank whose services to the Bank have been invaluable.

My work throughout has been appreciated by

by my officers. The omission to be included in the list of 1932 has caused me the greatest hardship. I therefore once again respectfully represent that my case may kindly be reconsidered. If for any reason Government deem that it is not possible to give me a higher rank I request that I may at least be granted an advance increment since 1939 as recommended by the Registrar of Co-operative Societies.

I beg to remain

Your most obedient servant,
